Thank you SO much, Roxanne! ☺ Christine and I were very worried. We absolutely LOVE David (he's sooo awesome!), but he likes to "branch off" and create new pages. That's what worried us a little. And we love that you're very OneEPA, especially in a very, very challenging situation like this one.

Thanks!!

Liz:

Once this language is up, can the page go live?

Also, David we want 1 webpage for the incident that will have info for all to go to. If it will help, we could have sections specific to Colorado, NM and the tribes if that will help.

Here is some language that has been used that I think would be helpful to have on the home page
